

Good Evening, Middle School Families!

Your child's school's **2020 Parent Survey** is now open **until March 19!** It is VERY IMPORTANT that we hear from all parents with students attending Citrus County Schools. Your responses on the *2020 Parent Survey* are essential for school improvement to occur. The survey is completely anonymous and should only take approximately 13 minutes of your time.

I am excited to inform you that this year, parents who complete the short survey will have the opportunity to win a ***Family Chartered Scalloping Trip*** or a ***Family Chartered Swim with the Manatees Trip***, both donated from Baize Charters. Three lucky families will win a ***\$100 World Fusion gift card***, as well! After completing the survey and clicking the "Done" button, you will automatically leave the anonymous survey site and be directed to a new site where you can enter to win. Winners will be notified and announced on March 30. **The deadline to submit a survey for your school and enter to win a prize is March 19.**

If you have additional children attending an elementary or high school, you will receive another phone call notification with information about the elementary and/or high school survey links. Parents are able to submit one entry per school.

Because the survey is anonymous, parents must complete the 13-minute survey in one sitting and cannot pause/save responses to complete later.

You can access and complete the *2020 Parent Survey* by clicking the link, [www.surveymonkey.com/r/2020ParentSurvey-MiddleSchools](http://www.surveymonkey.com/r/2020ParentSurvey-MiddleSchools). Or parents can log into Skyward Family Access tomorrow and click on the survey link found on the dashboard.

Please help your child's school continue to improve by completing the *2020 Parent Survey* and enter to win a family scalloping or swimming with the manatees chartered excursion or win a \$100 World Fusion gift card!

We thank you and appreciate your time and feedback!
