

Title I Newsletter

April, 2019

Citrus County Schools

Katrina's Korner

All Title I expenditure are closed for 2018-2019 school year; except for those approved plans submitted by the schools before March 31, 2019.

Please continue to monitor your budgets and make sure you do not go over budget in any cost strip.

I am here to help if you need any budget information.

Successmaker/Study Island News

Jennifer Woods

woods.j1@citrus.k12.fl.us

Next year we will not be using Successmaker, we are very excited to announce we will be using i-Ready for grades K-5 in ELA and Math

i-Ready is an integrated blended learning program that saves teachers time and personalizes learning for all students. We will have trainings in August at all school sites. Stay tuned more details to come!

Study Island for next year in grades 3-5 we will be using only Science. Please run a Class Gradebook report for your end of the year data. If you have any "Built Test's" please make sure to "Share" them with someone on your team, so they do not get purged at the end of the year.

Title I News

This will be the last Title I Newsletter for the 2018-2019 School year. As you already know we still have not received next year's Title I allocation and have not heard as to when we will receive it. I know what a struggle this is when trying to prepare your staffing plans for next year. My suggestion would be to prepare two scenarios: one for level funding and one for a 10% reduction. We will inform you of your allocation as soon as we receive it.

We will have our last Family Engagement Meeting on April 24th. Please encourage your parent representatives to attend. We will share parent surveys from each

Important Due Dates

Please place the documents below in your monitoring folders:

- **Quarter 4 of the Monitoring Guide due by April 30th.**

school and Dan Koch will once again share social and safe use of technology with parents.

Thank you for your cooperation on submitting and ending all spending of Title I dollars at the end of March. This will help expe-

dite the allocation process when the new budget arrives. If you have not spent all of your family engage-

ment dollars you need to do so ASAP. This is very important.

Encourage parents to read to their children over the summer. Below is information for parent and student summer reading.

Parent Information for newsletters:

Summer is the perfect time for parents to spend extra time reading with their children. Research indicates parents that read with their children at least 20 minutes per night do better than their peers in school. Below are two links for summer reading tips and programs that will bring literacy fun into your home.
